To Whom It May Concern:

I have worked closely with Laura Welch on a variety of large-scope pharmaceutical reports since 2002. Laura is absolutely amazing in her ability to meet tight deadlines and produce data for reports with high-quality and accuracy. Laura is extremely organized, detail-oriented and helpful with other members of her team. She gives direction and oversees projects with clarity and ease. Laura is very dependable, reliable and consistently goes above and beyond the call of duty. She is a very professional, positive, and upbeat person who is always a joy to work with. I have learned a great deal from Laura Welch in the 7 years that I have worked with her. I hope that I have the wonderful opportunity of working with Laura for many years to come.

Sincerely,

Loral Wright
